At ICM people with talent meet. For a permanent role at our client site here in Zurich we are looking for an experienced

Strategic Sourcing Manager – 3PL & Warehousing (350)

In this highly strategic role you will manage approximately 35 Mio in spend for the logistics category, for warehousing, lend transports, etc., where you will have end-to-end responsibility for the process. Our client is looking for your procurement expertise in complex environments on a global scale.

The qualifications we are looking for:

- 3-5 years of indirect sourcing experience in the logistics category, main focus being **warehousing and lend**
- transport sourcing activities
- Excellent RFQ management in a highly complex environment mandatory
- used to working independently and working with suppliers all the way to contract negotiations
- **Excel Enthusiast with a passion for data**, you love to analyze, crunch, process and present data in order to manage cost analysis, budgets and reports
- Hands-on mentality with an autonomous work ethic and passion for supply chain and logistics
- Fluent in English is mandatory, Italian, Spanish or French language skills are a nice to have
- Eligible to work in Switzerland (Work Permit B or C or Swiss residency or EU citizen)

The role in detail:

- This is a hands-on role where you will have end-to-end responsibility for your categories; it's not a management
- role (no team lead)
- Contract third party logistic service providers on a global scale
- Collect data, complete concise market researches and negotiate conditions and contracts
- 📁 Lead RFX's, evaluate, analyze and assess results, document recommendations and effectively communicate results
- Manage, negotiate and implement contracts, then monitor their effectiveness
- Follow market trends and legislative changes
- Ensure compliance to all internal policies and external frameworks
